Bonaldo Total Look

Singoli elementi di design si legano gli uni agli altri contribuendo alla definizione di un'atmosfera, il cui tratto distintivo è l'armonia, ovvero la corrispondenza tra ognuna delle parti e tra i singoli elementi.

Individual design elements are bound to one another, contributing towards the definition of an atmosphere, the distinguishing trait of which is harmony, in other words the correspondence between each individual part and every single element.

Quando ciò accade non è mai frutto del caso bensì il risultato di un lavoro di regia rigoroso quanto creativo. Prodotti diversi, concepiti in tempi e con modalità progettuali differenti, concorrono in modo equilibrato alla creazione di un mondo emotivo unico ed esclusivo.

When this occurs, it is never simply by accident but rather the result of a thorough and equally creative production task. Different products, conceived with different time frames and design methods, contribute in a balanced way to the creation of a unique and exclusive emotional world.

Abbiamo chiamato questa ispirazione "Bonaldo Total Look", un'idea di casa pensata per interpretare in modo dinamico e flessibile lo spirito del nostro tempo. Un nuovo modo di progettare gli ambienti e attraverso essi di concepire la propria casa in modo libero, creativo e assolutamente personale.

We have decided to call this inspiration the "Bonaldo Total Look", the idea of a home devised to interpret the contemporary spirit in a dynamic and flexible way. A new way to design settings, and through these to conceive your home freely, creatively and in a uniquely personal way.

BIG TABLE

10th Anniversary Special Edition

design Alain Gilles

UNA SPECIAL EDITION PER CELEBRARE I 10 ANNI DI UN'ICONA

Dieci anni fa Alain Gilles incontra Bonaldo e da questa unione nasce un'idea anticonformista, un progetto audace per un prodotto destinato a fare storia: **Big Table**.

L'elemento caratterizzante di Big Table, che lo ha reso un tavolo assolutamente originale, è la base formata da quattro gambe in acciaio tagliate a laser che si intersecano e si sovrappongono creando un'immagine dall'accentuata componente grafica, in cui la percezione cambia a seconda del punto di vista dell'osservatore. È un gioco di equilibri, un magico contrasto tra la linearità del piano e il dinamismo suggerito dall'inclinazione delle gambe.

A questo si aggiunge la scelta dei colori: nella sua versione più nota, Big Table si presenta con gambe multicolore dai toni accesi che evidenziano la sua forte personalità.

A 10 anni dal suo lancio, Big Table viene proposto in una Special Edition per celebrare questa tappa fondamentale nella storia di un prodotto diventato vera icona di design.

In questa nuova versione il tavolo si presenta con il piano rettangolare in marmo Saint Denis dal pattern fortemente grafico e da cromie di straordinaria intensità. Il piano si abbina alla base in acciaio verniciato nella stessa tonalità del piano, creando così un tutt'uno che non smette di sorprendere e ispirare.

A SPECIAL EDITION TO CELEBRATE THE 10TH ANNIVERSARY OF AN ICON

Ten years ago Alain Gilles met Bonaldo and a nonconformist idea came out - a bold project for a product destined to make history: **Big Table**.

The distinguishing feature of Big Table, which made it an absolutely original table, is its base made of four laser-cut steel legs that intertwine and overlap, creating an image with a strong graphic appearance, where the perception changes depending on the observer's perspective. It is a game of balances, a magical contrast between the linearity of the table top and the dynamism suggested by the slanted legs.

This is supplemented by the broad choice of colours: in its more famous version, Big Table has bright multi-coloured legs that emphasise its strong personality.

10 years after its launch, Big Table is produced in a Special Edition to celebrate this vital milestone in the history of a product which has become a true icon of design.

In this new version, the table has a rectangular Saint Denis marble top with a strong graphic pattern and colours with an extraordinary intensity. The table top is combined with the steel base painted in its same colour, thereby creating a single whole that never ceases to astound and inspire.
